Board of Directors Changes

The Alano Club Board of Directors welcomes Dottie Mackenzie as its new 2nd Vice President.

New SCAC Manager

The Sonoma County Alano Club would like to welcome our new manager, Mark G. Mark is a past board member and was a key contributor to making improvements to the new location, single-handedly painting every bit of blue in the new club. He is also instrumental in maintaining the clubs computers, cash registers, cable, and phones. Mark also recently re-established the late Friday night meetings.

The club extends many, many thanks to Ed D. the outgoing manager, for his 2-plus years of selfless contributions of time and energy to the betterment of SCAC. Aside from managing the day-to-day operations of the club, he has had a role in just about every improvement made at our new location. Luckily, Ed has agreed to continue to help out around the club as time permits. When you see him around the club, please remember to thank him for the countless volunteer hours he has contributed to our entire recovery community.
